Kathy,

Pursuant to your request, the State Water Board will take no further action regarding your petitions filed December 22, 2009, to authorize the transfer of up to 10,000 acre-feet of water to the San Diego Water Authority.

Greg,

San Diego County Water Authority decided to not exercise its option on our proposed water transfer. Their letter is attached. Therefore, please terminate the permit applications we filed for 2010.
